

Teacher of Swimming/Swim Coach

Dear applicant,

Thank you for your show of interest in becoming part of 'Team DLSA!'

As teachers and coaches, we take our job very seriously. The skill of swimming offers so much more than just a fun form of exercise to the student. It offers challenges and goals that can build self-esteem, confidence and character. These personal qualities can be a foundation to guide this student through every step of their life. But above all we are looking to teach Aussie kids how to be safe in and around water.

We are looking for stable, bright, enthusiastic and motivated team members to join us, as we strive to achieve our own team goals.

Please take your time filling out this application form and ensure you return it to us before close of business on the date specified on page 4.

Once again, thank you for your show of interest and good luck! ©

Kindest regards,

Darren Lange Director

DLSA
